Reliable | Professional | Service

Fall in love

with your pool all over again and let us deal with the problems. We have a Servicing Package to suit you!

Taking the plunge with a pool means weekly chemical treatments, plenty of cleaning, back washing, vacuuming, skimming... The list is endless!

That's why at Lange Pool and Spa we offer fast, professional pool maintenance packages designed to meet your needs. If detected and dealt with early, many pool problems can be easily and efficiently solved before they become bigger issues. Your pool and its equipment needs to be maintained to ensure everything runs in crystal clear condition.
